

## CITY OF WILLIAMSBURG

### MEMORANDUM

---

**TO: Planning Commission**

**DATE: October 1, 2004**

**SUBJECT: Revised Boundaries for Richmond Road, Jamestown Road and Center City Focus Areas**

Attached is a map showing the revised boundaries of our three downtown focus areas.

- The Richmond Road Neighborhood Focus Area has been reduced in size and now only extends eastward to the Hospitality House.
- The Jamestown Road Neighborhood Focus Area has been reduced in size and now only extends eastward to Chandler Court.
- The Center City Focus Area has been clearly defined, and starts at the Dellys at Richmond Road and Scotland Street, extends east to Matthew Whaley School and Nassau Street, and extends south to Mimosa Drive.

Each of these areas now better defines its "community of interest," which should promote a more focused discussion of issues at our forums.
